### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: Applicant's argument filed on 1/30/07 is persuasive as to the point that the closest prior art JP-63-281441 does not suggest removing the filler layer by first using a planar removal process and then using an etching process, wherein the etching process is stopped after removal of the filling layer from the first recesses and leaving the filling material in the recess with low aspect ratio or the recess without having the cavity as the context of claim 1.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
